Finding Your Spiritual Gifts *Wagner-Modified Houts Questionnaire*

From the foreword to the 1995 edition by C. Peter Wagner:

Greetings!

You are about to become involved in an exciting spiritual exercise. God has given you one or more spiritual gifts if you are a Christian, and discovering that gift or gifts will be a thrilling experience.

*You will be asked to answer the 125 questions found in the Wagner Modified Houts Questionnaire. This spiritual gifts discovery instrument was originally suggested by Dr. Richard F. Houts, a professor in the North American Baptist Theological Seminary, in 1976. Subsequently, I modified it and included it in my book *Your Spiritual Gifts Can Help Your Church Grow*, now the best-selling book in the field of spiritual gifts. The copy you have in your hand is the seventh edition and the first complete revision of the original published version.*

Thousands and thousands of believers have been blessed by taking the Modified Houts Questionnaire. Constant feedback from them has enabled us to refine it to the point where it will give you a fairly accurate picture of what kind of ministry God expects you to be carrying out in your group of believers.

However, do not regard the results of this test as final. The three or four gifts you score highest in may or may not be your real spiritual gifts. Nevertheless, you can be sure that it will be worthwhile to pray about and begin to experiment with those spiritual gifts. Be sure to seek the counsel of other Christians around you as you experiment so that they will help you confirm what gifts you do have. If you are under 25 years of age or if you have been a Christian for less than six months, treat the results of this questionnaire a bit more tentatively than otherwise because the questions are based on actual past experience.

Step 2: Scoring the Spiritual Gifts Questionnaire

Instructions for Scoring:

Use the chart on the next page to tally your answers. The numbers in the scoring chart correspond to the numbers in the questionnaire above that you just completed. Add your score values together, from left to right, and write that total in the Total box next to each Gift.

Example: Look at Row A. Add together the score/number you wrote for question one (in box 1), plus the score/number you wrote for question 26 (in box 26), plus the score/number in box 51, etc. Those five numbers, added together, become your Total score to be written in the Total box. Repeat this exercise for each of the rows.
